[Menage Amour: Erotic Paranormal Menage a Quatre Romance, M/F/M/M, shape-shifters, HEA] Kate Darby just wants to get out of the path of a hurricane, but finds herself lost in a storm she never saw coming. Left with a frozen heart after her mother's death, Kate never imagined it would take three hot men to thaw her out. And when they bust out with fur and fangs, things get really interesting. Panther-shifter brothers Blake, Drake, and Jake Taylor are living in South Florida and aren't looking for their mate. But when she's blown into their path, they're not about to fight fate. Finding out she's meant to be mated to three men is surprising enough, but then Kate learns she has a legendary cat stalking her brain. Unfortunately, now that Kate has something worth living for, someone wants her dead. Kate's not just a cute little kitty, though, and when the fur flies, the claws come out. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
