Finalist, 2017 Wishing Shelf Book Awards Honorable Mention 2018 San Francisco Book Festival Theft. Murder. Love Tested. A price Shakespearean First Folio is stolen from an English manor house. A man is dead. Oxford student Stephanie Cooper is drawn into the dangerous criminal world of art theft when she meets attractive young detective Luke Spencer. As her rock-star boyfriend tours Japan with his band, Stephanie and Luke's quest becomes personal as they follow an increasingly perilous trail that leads from Oxford to London, Paris and Venice. But when Stephanie takes an unnecessary risk, the stakes turn deadly.

Can she stay alive long enough to expose the identity of the thieves, help recover price literary works and resolve her conflicted feelings for Luke and her boyfriend James? The Carlswick Deception is another exciting instalment in the Carlswick Mysteries series and can be read as a stand-alone novel.
