The crowds keep coming to Los Cabos as much to relax on its beaches and in its spas as to golf on its courses and sail or fish its waters. Well-rounded Los Cabos has more to offer than the average beach resort, including regional wines, a happening arts scene, and both desert and ocean adventures. Competitive Advantage:

Fodor's presents the only full-color guide to the region, with gorgeous photos and eye-popping features for the most inspirational coverage of Los Cabos to be found. New Coverage: Los Cabos has become one of the world's top golf destinations, with breathtaking fairways along the Sea of Cortez and throughout the desert.
