Opposites attract in this funny, touching and deliciously romantic novel as hippie Dee meets millionaire businessman Ethan - and her calm world is turned upside down... Dee Nichols is a free-spirited yoga teacher, albeit a broke one. But she's not interested in money or possessions or thinking too far into the future. After surviving a terrible car accident, she's just happy to be breathing. Then Dee meets Ethan Roxburgh at a Christmas party. As the head of Roxburgh Holdings, and a regular in the social pages, he's the opposite of what Dee wants in her life. Until a job modelling yoga in a TV commercial turns Dee into an overnight celebrity... Thrust into a whole new world of business and PR (as well as high-heels and plunging necklines) Dee is out of her comfort zone and suddenly Ethan is perfect – as a mentor. Or would be, if she wasn't so damn attracted to him. After all, he'd never look twice at a short, accident-prone yoga instructor with market-stall couture ... Then Ethan does look twice - and life gets sweet and sexy as hell. Written by Jaye Ford under her alter ego Janette Paul.
