Beautiful Juliana DuPres knew she should give herself to Dr. Michael "Saint" Morris body and soul. He was everything a woman could want - handsome, kind, and now her husband as well, after rescuing her from her kidnapper, the brutal Jameson Wilkes. Even as Michael held her in his strong arm and claimed her lips in a breath kiss, Juliana could not shed the painful memory of her abductor. Little did she suspect her fears would become reality when Wilkes once again threatened her. But her beloved Michael was there to save her...

to turn her overwhelming terror to tingling desire - and a love that was now free to flower like a wild blossom
