Preparing for a new baby can be overwhelming. Expectant parents often find themselves with many to-do lists and no direction to complete those lists. "Planning For Baby" is an easy -to -follow workbook that allows expectant parents to prepare for their new bundle of joy by tackling each baby prep task one by one. Expectant parents can feel completely ready for baby before baby has even arrived.

This workbook includes practical planning strategies for budgeting, organizing the home, picking your pediatrician, and many other tasks.

It also includes a fun parenting survey for both parents to fill out together and multiple pages to write letters to your baby. After finishing each section of the workbook, expectant parents will feel stress and more excitement about welcoming their newest family member.
