He was supposed to be a one-night fling. Landon Blake: hot tech billionaire, and the wildest sex of my life. Until I find him standing over my boss's dead body - with a bloody knife in his hand. They say he's dangerous. He swears he's not to blame. Somebody's setting him up, and the stakes couldn't be higher. I don't know who I can trust. I should stay away. But he wants me.
