Anthology (11 stories) Genres: Historical, Erotica, Supernatural There have always been lusts that transcend limits. The rush of fire in the blood, the hunger for touch, the compulsion to bury oneself in the flesh of another. Ancient storytellers enraptured audiences with tales of love and lust, of the dangerous passions of gods and heroes and monstrous creatures, pursued sometimes to destruction. These modern interpretations of those ancient themes span histories and cultures from Greece and Rome to Egypt and the Holy Lands, stories of love and betrayal, of vengeful gods and goddesses, and pleasurable peace. There is much more to a palace eunuch than meets the eye. One man must face his greatest sins, while another battles to save his lover's life. A woman must balance appeasing her ethereal deity and her earthly desires, and another is imprisoned behind the bars of a gilded cage. Eleven tales of intense lust in the ancient world crafted by ForbiddenFiction's best authors, ready for you to peel back the cover and indulge your carnal appetites.
