Sage is delighted to land a holiday job with a magician. It will earn her the money she needs for the photography course she's coveted since she first picked up a camera - and working for the The Great Armand should be interesting, right? Plus there's a cute stagehand named Herb, who could make it even more interesting. But one night Sage, Herb and the magician's assistant Bianca stay late at the theatre, and a wand gets broken... on the stage. Bianca is horrified, convinced they've brought a curse upon themselves. Then Armand is nowhere to be found - and Sage and Herb are mysteriously locked in the storeroom. Together. Overnight. Sage must figure out who to trust, who's hiding secrets, what's real and what's just clever trickery. Because when a person truly disappears, it is likely that there are more sinister elements at work than magic...
