Sometimes the wedding seems all about the bride—but the groom can use a plan too, as the couple prepares for the happy event.

This wise and witty resource will get him safely and successfully from the proposal through the big day. Handy checklists assure that no important detail slips by (such as applying for the marriage license in time), and there's a head-to-toe look at wedding attire, valuable advice on buying a ring, cost-cutting tips, and sensible suggestions on how to make the best impression at the rehearsal dinner, receiving line, and reception. Guys can even earn brownie points with their sweethearts, thanks to “coupons” to give the future bride, promising such treats as a 15-minute backrub and a night on the town.
