With the wry insight of *The Dilbert Principle* and the warmth of *Life's Little Instruction Book*, *Fear No Yellow Stickies* is a humorous and useful guide to the realities of today's corporate environment. With essential advice on knowing how to behave at work, taking control of your career, and maintaining a balance between work and the rest of your life, this book is filled with the pithy, on-target advice Moran's fans have come to expect, including tips like: -- If you see your name on a yellow sticky on a conference room wall, something very good or very bad is about to happen to you. -- Check phone mail, e-mail, and U.S. mail, in that order. Learn all delete functions quickly. -- Play hooky at least once a year and take your children to the zoo."With a keen eye and quick wit, Rich Moran has captured the essential truth of the contemporary workplace". -- Jim Kouzes, coauthor of *The Leadership Challenge*
