In this humorous picture book by Jessica Watts, we see a new side to that famed horror monster Frankenstein. He's actually quite a nice guy. All he really wants is a friend...But it turns out nobody wants to be buddies with someone made of corpses. All of that changes, though, when a gregarious goat comes into the picture. The fear twosome take on trivia night, scary movies and even the online dating world. But can their unlikely friendship survive the unexpected? Frank N' Goat is a whimsical tale of freakish friendship, and an instant classic in illustrated goat-based fiction for immature adults and mature-ish children alike!
