Intimate Deceptions Lise Fuller "Trapped in a world of suspicion and lies, love was the only way out. " Spurned by Brodie Crawford years ago, Elena Alvarez Ramirez thought she couldn't hate the man more. But long-repressed desires between them flare hotter than ever when the Special Forces Army Sergeant comes to her aid to help rescue her daughter Janie, a child who bears a striking resemblance, not to her ex-husband, but Brodie. Brodie Crawford wanted only one woman in his life-Elena. But when he came home eight years ago and found her married to his best friend, her betrayal was more than he could stand. Now the bastard who took Elena from him has killed a man and fled across the border with the child. Compelled by an emotion he refuses to name, Brodie leaves to help Elena rescue her daughter and finds that they have fallen into an even bigger game of deceit and deception, one with lethal consequences. Embroiled in a world of danger and intrigue, Brodie prays they'll get out alive. "Note: Intimate Deceptions is a sequel to On Danger's Edge, although it can be read as a stand-alone."
