Available for the first time in paperback, the top-selling *Lighting the Nude* reveals the lighting secrets of the top photographers working today. It showcases more than 400 images of the nude, in a wide variety of styles. Each photograph is accompanied by detailed lighting diagrams and an explanation of what makes the shot work. Both beginners and seasoned pros will find plenty of inspiring lighting ideas and practical guidance. *Lighting the Nude* is an essential reference for every studio photographer's bookshelf.
