In "A Rattling of Sabers: Preparing Your Heart for Life's Battles," a Christian minister leads men on a spiritual journey that will help them embrace a renewed relationship with Christ and a life filled with authenticity, integrity, courage, and honor under the authority of God. Dr. Bourgond, founder of Heart of a Warrior Ministries, has dedicated nearly four decades to ministering to men through discipleship, mentoring, teaching, and leadership development. While guiding men on a journey to wholeness by helping them tune their own hearts to the heart of God, Dr. Bourgond shares life illustrations and fresh theological insights that will teach men to become aware of their unique wiring and God's purposes for their lives. Dr. Bourgond identifies situational lifestyles that men adopt to navigate the pathways of our lives, addresses the real battlefield for change and transformation that will help men reach the objectives of God's preferred lifestyle, and provides guidance on how to correct corrupted behavior and proactively live a godly life. "A Rattling of Sabers" offers a unique and inspirational map that allows men to bring glory and honor to God and be encouraged to actively live the life that God has chosen for each of them.
