Did you ever wonder why, at times, words just poured out of you or why you feel mysteriously drawn to write a book? If so, this book is for you. It answers all of the questions about why we are really meant to write. And, as you will find, the real reason we are drawn to write has way more significance than to just sell a few books or to make a name for ourselves. In this ultimate book for all authors and aspiring writers; Best Selling Author, legendary literary mid-wife and renowned author oracle, Tom Bird, shares it all.

And in doing so, Tom frees us to finally succeed in all areas of writing.

If writing is something you feel pushed to do or is something you want to do, this is a book not to be missed. It will change your life and forever alter the way you look at the world and your role in it.
