Diagnosis: Distractingly Tiny Panties New York Pediatrician Ned Loudon is stuck in the friend zone with his colleague Elise Winters until she asks him to pose as her husband for the weekend. Ned's initially thrilled when their deception moves into the bedroom and (other horizontal surfaces) but when he learns the depth of Elise's deceit, will he risk everything for their newfound love? This friends to lovers erotic medical romance includes one steamy summer weekend in New York City with an estranged millionaire mother, an apartment worth lying for, one displaced cowboy, and a fantastic gown for a very fraudulent wedding.
