A clean historical western cowboy romance. Montana Passion Series Book 2 When Nathaniel Russell received the wonderful news that the bride he'd written off for would be arriving in New Hope, Montana, it was the happiest he'd felt since arriving to settle his claim.

And when the strikingly beautiful but somewhat exotic-looking Katia stepped off the train, his heart leapt at the fulfillment of their months of exchanging letters. But Katia carries secrets that no one in the town expected, secrets that run deep enough to keep them apart forever.
