The boiling sea The swarming rats The buildings on the Moon - mysteries - disasters - eerie phenomena - baffling both the man in the street and world-famed scientists. One man - David Vincent - knew what they were...the work of THE INVADERS from the deeps of space. And Vincent, facing hope odds, nerved himself for the lonely, vicious struggle that might save Earth...this time. The INVADERS novels are based on ABC-TV's sensational new series, starring Roy Thinnes as David Vincent.
