Emma is a talented young artist disturbed by nightmare images that she can only quiet by painting. These haunting visions become inspiration for collections, so Emma turns these troubles into a burgeoning career. When Emma's boyfriend threatens her artwork, he winds up in the emergency room and she meets a new man as troubled by his history as she is by hers. He completes another dreaming image, one that both frightens and attracts her. Emma must choose whether to confront the sum of their combined darkness, forging an intimate connection, or remain isolated, living in a half-awake world, denying the truth of her past and, thus, the promise of her future. But does this new man manifest a dream or a nightmare?
