On a day like any other, Jim Blackmore finds himself at ground zero of the zombie apocalypse. He is forced to run a blood-soaked gauntlet through a city overrun by an insurmountable horde of the dead in a desperate attempt to reach his wife and two small children. As he fights to get home he discovers that the living are just as dangerous as the dead.

But does Jim have the strength of will to survive the perilous journey? New sneak peek of Joseph Zuko's upcoming novel. A few chapters from Sweet Home has been added to the end of this book. Read on to check out the next level of horror in the Zuko catalog. tags: Zombie Apocalypse, zombie, zombies, Zombie Camp 17, zombie novel, zombie fiction, zombie books, horror, horror books, horror fiction
