In the highly competitive e-sports league of Avalon Online, Silver Star has stood atop the ranks for almost three years. Their dominance has won them fame and fortune, and they appear invincible. But one stunning betrayal and a harsh punishment later, and their place at the top is gone. The remaining members of Silver Star have one choice: form a new team and climb their way back to the top, fighting through every obstacle that lays in their path. But the journey back will be anything but simple. Starting from the bottom is never easy, and old comrades may have some unfinished business to attend to...
