Lily never expected to fall in love--at least not like this. And after watching her mother bounce from one failed relationship to another, she hardly wanted to. But when circumstance leaves Lily all alone with the alluring BILLIONAIRE MAN-OF-THE-HOUSE, it doesn't take long for her neglected body to respond to his irresistible charms. Torn between right and wrong, Lily must cast aside convention and face her fears, even if it means letting him take her HARD, FAST, and WITHOUT PROTECTION.
