Senior Financial Analyst, Taylor Williams survived the embezzling scare at his firm, Peterton Financial, with the help of the gorgeous new Regional Manager, Phillip Daniels. Although Phillip suspected Taylor at first, their undeniable chemistry soon cut through those unfounded suspicions. Now the two of them have embarked on a passionate sexual relationship during the holiday break. Holidays should be relaxing and stress free, but when you throw in ex-boyfriends, snow storms and bears, things get a little messy and you might need to be a hard-ass just to get through them.
