Camilla never thought she would find the love and comfort of another person, until she meets Ethan. Her troubled past, and his family's social agenda, may interfere with her keeping the love and acceptance she never knew she could have, but now craves. Camilla needs a secure man to help her break down the walls that she has built over the years.

With an abusive ex-husband, parents that abandoned her, and a mean spirited grandmother, she has always needed those walls to protect her from the hurt that has been inflicted on her in the past. Ethan may have been born into a wealthy, privileged home, but he has had his share of heartache over the years as well. When he meets Camilla, he sees something in her that he can't turn away from. He quickly realizes that she has had a difficult life and wants to be her rescuer, but only Superman can protect her from her demons. Will Ethan be able to fulfill that role? **\*\*Adult Content\*\***
