The act of baking bread is truly one of the most satisfying pursuits in life. You begin with flour, water yeast and salt and transform them into something satisfying and wonderful. The aroma of fresh baked bread fills your home with memories while the first bite soothes your soul. If you have never had the opportunity to make homemade bread you absolutely must try it, for even the simplest of homemade breads will make supermarket breads seem pale and flavor in comparison. “Homemade Bread Recipes – Easy Tips for Baking Delicious Homemade Breads” will show you how to prepare various kinds of breads, such as flat breads, griddle breads, straight dough breads and more. All recipes are illustrated with high quality photos. There is such a wonderfully wide range of breads in the world it is difficult to cover them all but here are some types of bread you will find in this book: - French Baguettes - Onion Bread - Potato Rosemary Bread - Chapati - Banana Bread with Nuts - Zucchini Bread - Almond Bread - Irish Soda Bread - Whole Grain Bagels - English Muffins... ..and More! The healthful and assorted variety of bread recipes will keep you enthralled with the bread making process. From traditional to exotic and sweet to savory, there is truly something for everyone. So don't wait and grab this book, enjoy yourself and the adventure of creating a new type of bread every day!
