Rochelle was trapped in a one- sided marriage but held out with all hope that her cheating abusive husband would come to his senses and see that she is the one for him. One day after giving their marriage one last chance she stumbles across a new social media website 'BookFace', and that is where her life took a turn. Bo'moine a favorite author whose pen game reflects his life meets a love deprived Rochelle and takes her on a journey she will never forget. Sex, betrayal, and murder Be careful who you meet when it comes to social media you never know what might go down on FreakBook
