Esther Hicks 101 Greatest Life Lessons, Inspiration and Quotes from Esther Hicks If you've seen the books and popular workshops and have wondered what all the excitement was about, or if you've never heard of Esther Hicks and Abraham before, but find yourself intrigued and wanting a closer look, this book might just be a perfect fit for you. A small, basic guide to the background and story of Esther and Jerry Hicks, as well as a simplified overview of the teachings and philosophy of their messages on Abraham, this book will give you answers and probably more questions to continue your pursuit of knowledge as you look into spiritual things. It's written for people with no background in these types of things, so don't worry about feeling intimidated.
