Most people think of the guards at the worst concentration camps as the epitome of Hitler's regime, the blonde hair, blue-eyed, man. There were female guards through that made some of those men look like choirboys. Irma Grese, probably the most notorious of them all, was on in depravity who seemed to find pleasure and enjoyment in the torture inflicted on others. Find out what she said in her last moments on the gallows. Dorothea Binz was equally sadistic. Read more about what might have caused her to develop these depraved actions. Could a broken heart be the cause of it? The controversy regarding Ilse Koch is still ongoing today.

Was she really the "Red Witch" as some claimed or did her actions have er consequences? While there's no doubt she wasn't innocent, some of the claims against her have been questioned over the years. Learn more
