Minecraft is a world separated into 3 different areas: The Overworld where everything is just peachy, the End where the Enderman live, and the Nether.... The Nether is a fiery pit in Minecraft filled with lava, Ghosts, Blazes, and other dangerous mobs. The Nether Games is a Minecraft novel based on the popular book "The Hunger Games." In a world divided into districts, Zombies have taken over. All the villagers, children, and other mobs are paralyzed with fear.... The day has finally come. The day to decide those who would be participating in.. THE NETHER GAMES! Dive into this epic battle novel filled with heart wrenching moments and extreme fight scenes. Indulge in a Minecraft world like you have never seen before...
