The book of revelation is the last of the sixty-six books of the Bible. As such, it is the concluding word of God and therefore occupies a special position. Whereas a bing is attached to its reading, a curse is pronounced against anyone adding to its text—thus reflecting how very important is this book of God's word. The content of this present work comprises the text of what were two separate series of messages on Revelation spoken by the author in, respectively, the year 2007 and back during the 1950s. After these many years, and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent, we believe that there is a need to make these spoken words available in print in order that many more of God's people may receive the promised bing. It is our prayer that all who shall read this book will receive God's bing in their being better prepared for the imminent return to the earth of our bed Lord Jesus Christ.
