The sweetest life is the one you make together ... Corsair's Cove has a reputation for being one of the most haunted places in the Pacific Northwest. It also has a way of drawing to itself the people who need it most—like the Blackthorne cousins. When Great Aunt Ruby passes and leaves them her chocolate shop, it comes with a few extras she forgot to tell them about—such as a talking parrot and a pirate ghost! Cursed by an angry ex, Daniel Blackthorne, the Wolf of the West, must help the last descendants of his family find true love before he's banished forever on Hallowe'en night. But even a skilled sea captain will encounter heavy weather when he tries to get Prudence, Livy, Brynn, and Eloise—four cousins with everything but romance on their minds—into the arms of their soulmates before the clock strikes midnight ...
