-- Mike Gunderloy is a leading authority on MCSD and VB.NET.-- Training Guides are the most effective self-study guide in the marketplace, featuring exam tips, review exercises, case studies, practice exams, ExamGear testing software, and more. -- Subjected to rigorous technical review by a team of industry experts, ensuring content is superior in both coverage and technical accuracy. This certification exam measures the ability to develop and implement Web-based applications with Web forms, ASP.NET, and the Microsoft .NET Framework. This exam counts as a core credit toward the new MCAD (Microsoft Certified Application Developer) certification as well as a core credit toward the existing MCSD certification. Readers preparing for this exam find our Training Guide series to be the most successful self-study tool in the market.

This book is their one-stop shop because of its teaching methodology, the accompanying ExamGear testing software, and superior Web site support at www.quepublishing.com/certification. The CD features the ExamGear product (test simulation with more than 150 practice questions) and an electronic copy of the book.
