THE PREQUEL TO THE LOST CHILDREN TRILOGY After waking in an alleyway with no memories, a strange tattoo and a supernatural ability – Lena knows something extraordinary happened to her. When a deep guiding instinct hums to life inside her, she sets out into the unknown in hopes of unlocking secrets to her past. Now, hitchhiking around the country with nothing but a personalized bracelet as proof of a life she once led, Lena must decide - seek answers to her past at any cost or accept that the truth to who she really is may never be known.
