Bicurious rookie Police Officer Dick looks HOT in uniform. He rocks blue fabric and shiny badges like he was built for a life of rough service. Black leather boots and the basket-weave belt help support Dick's big club. On his first day on the beat, Dick watches more action than he expects. Perverts gather in semi-public places; Dick MUST patrol the downlow trade at Seattle's infamous homosexual Volunteer Park. Someone needs to protect the innocent, str8, married men who fall victim to predatory gays. Follow his erotic anonymous bisexual adventures with strangers! In service of his city, Dick enthusiastically tops!
