MIT tech student, Samantha Carrington is thrilled to be interning this summer at San Francisco's Halycon Tech, a leader in cell phone app technology, and the perfect place for her make some money and get some amazing work experience. However, everything changes when she meets the sexy, sensual billionaire boss, young Dean Maxwell, who has a penchant for late nights with many beautiful women, dancing until dawn at Club Primordial. Samantha is inexplicitly drawn to this hot, gorgeous man who's off limits because of so many reasons. But, will one night at Club Primordial with Dean change everything? Will he let Samantha into his world or will his secrets destroy them both? Warning: this work contains extremely graphic, sexy, and detailed sexual and adult situations and language.
