A free-spirited American. An uptight hot Scot. When passion ignites, no rules can survive the heat. An office drudge by day, a free spirit by night... For Emery Granger, getting laid off from her job as a computer programmer liberated her from imprisonment in an office cubicle. The problem? She has no career and almost no money. Desperate to forget her quandary for one weekend, she takes off on a spontaneous trip to New Orleans -- where the unconventional American collides with a sizzling-hot Scot. Uptight lawyer by day, steamy seducer by night... After surviving three disastrous failed marriages, Rory MacTaggart has no desire to get entangled in another relationship.

But with his two brothers now living in wedded bliss, he's enduring the well-meaning pestering of his entire family. Rory's solution? Get himself a trophy wife.

A one-night stand leads to a marriage of convenience, and a culture clash when Emery must adjust to a new life in Scotland and her new husband's need for rules. When Rory's ordered life explodes, the reluctant husband may just have met his match in the passionate, adventurous wife he swears he will never love. Scandalous in a Kilt is the third book in the award-winning, bestselling Hot Scots series of contemporary

romances. Catch up with the MacTaggarts in the first two books, *Dangerous in a Kilt* and *Wicked in a Kilt*.
