When the line between fantasy and reality is erased, the real fun begins... At a boring benefit dinner, Stacy keeps herself occupied by imagining erotic encounters with the other guests. When it's time for the evening's spousal auction, one of the sexy men she's been fantasizing about bids on her — and wins! Will Stacy's evening end with a demure dessert for two ... or has her husband planned something much more exciting? Reader advisory: This 11,000-word story has been heavily revised, extended, and reedited, It is for adult readers only and features steamy daydreams, a hotwife encounter, oral sex, girl-on-girl, and just desserts. Previously published as Fantasy vs Reality.
