Introducing A New STEAMY Stand Alone Hot Bad Boy MC Biker Romance ! Essie I'm picking up the pieces of a bad breakup and crushed hopes in a dead end dive bar. The men I'm forced to serve are crude and have only one thing on their minds. I could say the same thing for the so-called hero that comes to my aid. But there is something in his eyes. He seems so sure that I will be his. The man might not be wrong. I linger in his bed as he starts to consume my flesh and my heart. Something unexpected sends my senses reeling. Can I get away from him? Will he ever let me go? Hawk It's my turf, and the boys on both sides best play by my rules. As soon as I see her, the need to make her mine trumps the club's code. One night with me is all it will take. I can have it all. Until she turns the tables and changes the game on all fronts. This is a stand alone book with an ultra dominant alpha male. This book contains mature themes and language. Intended for 18+ readers only.
